Awana is both a highly relational and highly scriptural program, and has three main components:

- 1. Large Group Time:** children will participate in worship and experience an interactive Bible message tailored specifically to them
- 2. Small Group Time:** children will break into age-based groups where they dive into biblical truth with their leaders, discuss the meaning and application of Scripture, and share verses they've memorized. Small Group Time establishes a foundation for understanding the Bible and growing in community with other Christians.
- 3. Activity Time:** It's fun, it's high-energy, it's game time!

Sparks is our program for **Kindergarten– 2nd Grade**, and ignites the curiosity of kids to learn about the people and events of the entire Bible, building a foundation of wisdom for knowing Christ.

Truth and Training (T&T) is our program for **3rd-5th grade**, and engages children by answering their questions about God and the Bible while guiding them to grow in Christ's love and live out their faith.

How to Register:

Fill out the attached registration form and return it to the church office, or scan/email it to the Awana Program Director: Jenna Link.
